(530) 752-1358  
FAX (530) 752-4278

ONE SHIELDS AVENUE  
DAVIS, CALIFORNIA 95616-8743

To whom it may concern:

The enclosed shipment is of canine blood and/or tissue samples from the Netherlands. These dogs were not inoculated or exposed to any livestock or poultry disease infectious agents of USDA Agricultural concern. The enclosed material does not contain any other material of livestock or poultry origin. The samples will be used for canine DNA research at the University of California, Department of Population Health and Reproduction, School of Veterinary Medicine, One Shields Avenue, Davis, California, 95616 and should be received within two days of shipment.
